Affordable, Ergonomic Headset for Yealink IP Phone

Yealink YHS33 is an over-the-head style headset which is ideal for office workers, SOHO, or call-center staff. It is compatible with the full range of Yealink enterprise IP phones. Its distinctive design is slim and stylish and made from featherweight materials to ensure maximum comfort. The unique pivoting boom mic coupled with wide-band audio technology delivers rich, clear audio and comes with ultra noise-cancelling technology to filter out background noise. The Quick Disconnect feature provides walkaway convenience, enabling users to quickly leave for a short time or switch to other equipment. Yealink YHS33 delivers exceptional comfort, durable lifecycle, premium quality, and brilliant sound.
